

THE FOLLOWING ARE THE SCHOOL PAYMENT OPTIONS**OPTION 1****FULL SETTLEMENT**

A full fee settlement discount of 3.5% on the base fee amount applies if fees are settled by **15 FEBRUARY**

OPTION 2**PAYABLE OVER 3 TERMS****Term 1**

Approximately **50 %** of annual fees, levies, excursions and camps due on the **FIRST DAY OF TERM 1**

Term 2

Approximately **25 %** of annual fees, levies, excursions and camps due on the **FIRST DAY OF TERM 2**

Term 3

The final **25%** of annual fees, levies, excursions and camps due on the **FIRST DAY OF TERM 3**

OPTION 3

Fees are payable over the first **8 MONTHS** of the year.

The first payment is dated **1 JANUARY** and the Final payment is dated **1 AUGUST** (8 payments)

Parents are then welcome to continue paying from September to December for the following year's fees.

This will show as a credit brought forward in the new year. This option allows the parents to follow their own personal 12 month strategy. The fees however for any particular year are to be settled by August.

This, too, feeds into the requirement that matric fees are settled in full prior to the writing of prelims early in August of their matric year.
